Services and Families - Nationwide

Day 1. Is open to Services and families nationwide. The hope is that information collated from the round table discussions with those most affected will inform services of what is needed for Trauma Informed Care and what Whole Family Recovery means to Family Members so that their needs are met. The Conference outcomes will also inform/influence government policy.

Day 1. Agenda 19th September 2024 [Lacey & Cagney Suite]

9am Arrivals & Refreshments

9.30-10am Registration in the Cagney Suite

10am Opening welcome by the Master of Ceremonies, Retired Chief Superintendent.

Christopher Mangan.

Official Opening by the Minister of State for Public Health, Wellbeing, and the National Drugs Strategy. [TBC]

Jackie McKenna, Family Addiction Support Network- 'The Voice of Families' & collaboration with the National Family Support Steering Group

Vivian Geiran, Adjunct Assistant Professor at Trinity College Dublin, registered social worker and, formerly Director Probation Services

Family Voices - Tell Your Story. Videos of families lived experiences.

Jim O'Dwyer, Trauma Informed Care eLearning, Pilot Project by the South East Regional Family Support Network

Anna Quigley, Citywide Drug Crisis Campaign - The Community's Role in Whole Family Recovery

Day 1- Closing Remarks, **Christopher Mangan**

8pm Evening Dinner – Lacey Suite

Day 2. Agenda 20th September 2024 - Pinewood Room

Families Networking & Shared Learning

Day 2. *An opportunity to build the relationships between family support groups nationwide. Sustaining the ‘Shared Learning’ and ‘Next Steps’ will give opportunity to shape and inform policy from a logical experiential perspective, develop a strong resilient cross border and a national collaborative approach which will accommodate a wraparound service for whole family recovery. It will further strengthen professional relationships while emphasising the value of peer led family support.*

10am Welcome Day 2 & Overview of Day

Breda Fell, Interim Chairperson, National Family Support Steering Group. Review of conference & discussion on family support going forward – What now?

Break

Lisa, Escape Line UK, Signs of grooming and Child Exploitation - advice for parents, families and carers.

The importance of Self-care [TBC]
